## MARION TEAM TAKES OPENER

Second Game Results in a Tie.

### GREAT HEAVING BATTLES

Between Wilmot and Bailey, Burk and Edfeldt.

Lime Burners Show up the Mansfield Tigers—Ferd Drumm Given Warm Reception.

Though to win or lose both games of Sunday's double header could not have any effect whatever on their respective standings, Marion and Mansfield battled like the winning of a world's championship depended upon it, the Lime Burners taking the first game by a score of two to one and the second contest, scheduled for seven innings was called at the end of the tenth with the score two and two.

Both contests were full of excitement and were pretty exhibitions of the game. In both the final outcome could not be forecasted.

#### FIRST GAME.

Little Eva Wilmot was the whole bundle of cakes for Marion in the opener. The big fellow had lots of speed and control, having little difficulty in disposing of the swatters from McVeysville. For six innings the Tigers only got one safe smash, a single by Drake in the first with two out. In the seventh the callers looked dangerous for a second or two. Drake drove one to the left field fence but a quick relay from Fox to Mylett killed the Tiger at third and the other two were easy pickings.

Doe Bailey, the Mansfield slinger, was wild and during the first three innings the Lime Burners were within easy scoring distance in each round but the doctor tightened up and there was nothing doing. In the fifth Wilmot smashed one up against the fence in right center for three sacks. Mylett fled to Lawrence in short right. Quinn gave Eva the squeeze signal and the big fellow started in as the manager bunted down the first base line. Quinn interfered with Biery who had a chance to get Wilmot at the plate and was declared out, but Wilmot was safe. Then Daubert and Luskey singled and Flood walked but with the bricks occupied Blough could not connect safely.

In the eighth Hezzy Breymaler's luck added to a safe hit tied up the score. Hezzy cracked a hard one into right field. The ball got by Blough and rolled in under the fence while Breymaler trotted around the circuit.

In the eighth, Marion got the deciding run. Luskey singled to right and Hogan, who ran for him, was sacrificed by Quinn. Biery's error let the runner get to third and on Fox's single he came trotting home. Lucas followed with another single but Wilmot hit into a double play and it was all over.

former had all the better of the argument. He was far steadier and did better work in the tight places. Both pitchers had plenty of speed and fair control.

Mylett worked Edfeldt for a pass in the first and went to third on Quinn's single. Edfeldt heaved one too high for Breymaler to reach and Mylett trotted home while Quinn reached third. Daubert walked and attempted to steal of second. He landed safely but Quinn, who tried to score on the place was nabbed by Reynolds' quick return. Luskey and Flood were easy.

In the third Mansfield got busy and tied up the game. With one gone Burk hit Edfeldt and singles by Biery and Spears sent the big flogger across the rubber. Marion again took the lead in the last half. Mylett stopped one of Edfeldt's fast ones. Hogan, who ran for him, stole second. Breymaler's throw being wide, and going into center field. Hogan kept on going and when Drake overthrew third came in with the run that gave Marion the lead.

With one down in the seventh Reynolds started trouble by binging to center. He scared on Breymaler's hard drive to right for two sacks. Edfeldt lifted to Flood and Spears was safe at first on Daubert's error. Then Burke tightened and fanned the hard hitting Drake.

During the remainder of the game both sides had opportunities to score but neither could make the connections at the right time.

#### LITTLE BINGLES.

In the fourth inning of the first game it looked like Marion would clinch the contest. Daubert beat out an infield hit and Luskey popped out, trying to sacrifice. Flood walked and Blough singled filling the corners. Fox fanned and Lucas met one on the nose that looked safe until Ferd Drumm got the ball in short right after a hard sprint.

Mansfield pulled off two pretty doubles in the first game. Both were started by Reynolds and helped Bailey out of tight places.

Breymaler's bingle to right had horsehoes all over it when it rolled in under the fence.

With the bases full and two down in the second Burk fanned the heavy hitting Drake who threatened to break up the game after Mansfield had tied the score.

Lucas, Fox, Blough and Wilmot

were the four pitchers worked in the first game. It will probably be necessary to work as many twirlers at various points again today.

The fans have seen three excellent games in two days. Newark is now here for four games and they should be great ones. Last year Marion wanted to get into the first division. It depended on the last few games. Newark, by alleged unfair means, captured enough of the last games to relegate Marion to the fifth position. Therefore the Lime Burners to a man are determined to pull Newark down. Newark's final position in the race will depend upon these games and the Lime Burners will try to capture as many as possible to put the Molders out of the running.

Ex-manager Ferd Drumm appeared here for the first time in a Mansfield uniform yesterday. Drumm was given a royal ovation when he came to bat in the second inning and many of his friends kept up the applause throughout the game. The former leader of the local club played a pretty game for the Tigers. The fans kidded Drumm when Wilmot fanned him and kept it up when Burk did the trick twice.

Charlie Luskey played a pretty game yesterday, capturing foul pops all over the lot. His throwing was of a very high order.

#### Sunday's Games.

Newark, 2; Lancaster, 1.  
Newark, Sept. 22.—Newark defeated Lancaster today before one of the largest crowds of the season. Ascher and Justus did excellent work in the box, and with the exception of Humphrey's error, their support was fine. Murray and Brown made a number of sensational stops and "Red" Davis made a great running catch and shut off a runner at the plate. Two carloads of his friends came down from Zanesville, his former home, to see him work. Newark made two runs by two safeties, three stolen bases and Humphrey's error. Lancaster scored by Neff's single, Humphrey's line drive, Harkins' fly and Piper's single. Score

#### Tigers Take Both.

Mansfield, O., Sept. 21.—Mansfield gave Newark a severe setback by shutting them out in both games of a double-header today. Lloyd pitched great ball in the first game, allowing but two hits, one of which was a sacrifice. But one man reached third. Locke was batted out. The second game was a pitchers' battle between Yarnall and Locke. Drake started a batting rally in the sixth which won the game. Sensational fielding by Drake and Spears and the batting of Drake, Drumm, King and Reynolds featured. Scores:

## LIME BURNERS ARE DEFEATED

Columbus wins by a 2 to 1 Score.

### BLOUGH AND HIS WILLOW

Gives Marion Her One Run of the Game.

Winners of the American Association League Pennant Played to a Standstill Here.

In one of the prettiest contests imaginable Derby Day Clymer's three time pennant winners from Columbus defeated Bobby Quinn's patched up Lime Burners at Webb park Saturday afternoon by the close score of 2 to 1. The one run of the locals was a mighty swat for four bricks by Doc Blough in the fifth inning.

Charley Hall, who has done some remarkable stunts in the A. A. during the past few weeks of the season was sent to the rubber by Roaring Bill. In the five innings that he worked Hall allowed but three hits, one a home run. He was replaced by Bob Wicker, who held the ambitious Lime Burners to a lone safety during the remainder of the game.

For Marion, Fox was the king pin. The old ball peger was in great form and during almost the entire game led the Champs on the wagon. They fell all over themselves trying to elicit that mysterious slow ball of Gloomy's and his expectation ball had them all on the hammer.

Bill Friel started things in the first inning by driving one past Daubert along the right field fence. Farrell fielded the ball like lightning and made a great throw to second to head off the speedy Champ. The ball had the runner beaten by eight feet but Luis claimed Mylett failed to touch Friel, and called the runner safe. The next matter up was the swarthy skinned Jude. The Indian tried to sacrifice but the ball went four times. Then he laid the lumber against the leather for a long larrup to Quinnville scoring Friel while the fans had a hunch that Columbus was due to get about thirty before they stopped. Yes, they did not. Hulsitt hit to Daubert and Jude was fared off second. Gessler forced Rudy and then Kilm drove one over third that looked awful safe until Tim Flood gathered in the roller and sent the sphere to first ahead of the sleet one.

In the Marion half, Mylett with his accustomed patience waited and walked. Quinn got one of Hall's fast ones in the place where he is wont to sit down. Farrell struck out trying to sacrifice. With Daubert up, the hit and run game was tried and would have worked to perfection, but Jake did not hit the ball and Mylett was nabbed at third while Quinn pilfered second. Daubert went out from Hulsitt to Kilm.

With one down in the second Flood sent a long one out against the right field fence that would have been good for two bases but the wind varied the fall foul. His next attempt was another long drive to center which Gessler kindred only after the hardest kind of run, making a sensational catch. With two down in the third Mylett singled to left but was not advanced. After Farrell and Daubert had whiffed in the next frame Luskey planted a safe smash into left, but Hogan, who ran for him, was caught asleep by Bert Blue, the rifle armed backstop of the Champs.

With two Lime Burners retired in the fifth Charlie Hall gave Blough a high fast one on the inside of the rubber and the media met it with a mighty swing sending the ball over the right field fence and tying the score. While Blough trotted around the circuit the fans went wild.

Then Bob Wicker went to the rubber in the next and it looked as though Marion would forge into the lead. Mylett walked and Quinn sacrificed neatly. Farrell seemed to have some difficulty in locating the sphere and again whiffed. Daubert walked and Gessler pulled Wicker out of the mire by capturing Luskey's long sky scraper. In the ninth, with two down, Luskey singled but Flood ended it by putting up a high foul to his old teammate, Blue.

The game was won in the sixth with a pretty piece of hitting. Hulsitt drove a sharp grounder past Mylett. Gessler followed with a double to center sending Rudy to third. Then Kilm singled to right, seeing Hulsitt and sending Gessler to third. Friel lifted one to Quinn and Bob's pretty throw to the pan-naled Gessler, Luskey's

## S.S.S. HEALS S.S.S. OLD SORES

An old sore or ulcer is only a symptom, an outlet for the impurities and poisons which are in the blood, and as long as this vital fluid remains in this impure, contaminated state the place will never heal. The application of salves, washes, powders, etc., may cause the spot to scab over, but a fresh outpouring of diseased matter from the blood starts it again, and thus it goes on, gradually growing worse and slowly affecting the entire health of the sufferer. There are many ways in which the blood becomes contaminated and poisoned. A long spell of sickness breeds disease germs in the system, the failure of the eliminative members to remove the refuse and waste matter of the body, the excessive use of mineral medicines in certain diseases, all infect the blood with morbid matter and germs which sooner or later is manifested by a sore that refuses to heal. Persons with inherited blood taint are very apt to be afflicted with sores and ulcers. The taint may lie dormant during young, vigorous life, but when middle age is reached or passed and the natural energies begin to grow weaker, the tissues in some weak point break down and a chronic sore is formed and kept open by the constant drainage of impure matter from the blood. If the cause is not removed the sore will continue to grow worse by eating deeper into the flesh, festering, discharging, and slowly undermining the constitution. S. S. S. heals old sores by going down to the very bottom of the trouble, driving out the impurities and building up the entire circulation. When S. S. S. has removed the cause the blood becomes rich and healthy, the sore begins to heal, new flesh is formed, and soon the place is cured. Do not depend on external applications, which do not reach the blood, but begin the use of S. S. S. and remove of the cause, and then the sore must heal. throw to Mylett caught Kilm, about ten feet when the dummy tried to steal. It was mighty pretty work that kept the Champs from piling up a bunch of tallies in the sixth.

Fox had the Champs guessing until the ninth when trouble threatened. Gessler led off with a single. Lucas handled Kilm's ground-out and caught Gessler at second. Friel sent one down to second and a double play would have resulted had not Mylett tripped. By the time the ball was recovered, Kilm was on third and Kohl was safe at first. Daubert made a pretty catch of a high fly from Wrigley's bat and Kilm on third. Then Friel started for second. Fox threw to Daubert who ran Lee toward second. When Kilm took a lead off third he threw to Flood, apparently catching the dummy off but List could not see it that way. Lucas captured Blue's fly and the danger was over. The score:
